

Terms and Conditions 12 Outline

Note: This section is not the license but an outline of the license in a more simple and easy way to read.

You are implying that you own all rights to the song you are submitting, if the song is a remix or contains any other artists content, you are implying that you have gained permission to use the content and are able to provide this information if requested.

You are letting us give permission to other content creators to use the following song and make alterations to it, along with allowing them including Royalty Free Promotion to post these on YouTube, Soundcloud, Audiomack etc.

Should you release the song with a label, you will notify us of this, or the song will be removed along with an email being sent out informing you of what has happened.

Should a request by any third parties request to have the song removed, this will be done and an email informing you that your content has been removed, should you wish to have the content back up again it will be up to you the sort out any disputes with the individuals requesting to have the content removed.

Any companies software, platforms or application we use to look after the submissions may have access to the information you are providing us.
